In addition to Ryan Bailey becoming our 84th Lifetime early in 2023 we have 3 more LTM's joining the Jackson Horseshoe Club at the start of the 2023 Summer League season. Welcome Steve Johnson, Steve started pitching in the Summer League of 2014 with good friends Dale Wagar, Dave Walters and Rob Mathews. One year later (2015-16) Steve and Dale became a permanent fixture on the Tuesday Winter League. Appropriately Steve and Dale become LTM's together in 2023, Steve our 85th LTM and another warm welcome to our 86th LTM Dale Wagar. Steve and Dale were 2022-23 Winter League Club Tournament runner-up and along with new teammate Gary Fowler won the 2022-23 Tuesday Winter League. They then went on to defeat the Thursday champions to become JCHC 2022-23 overall Winter League Champions! Dale is one our leagues best players and had the top winning percentage Tuesday Winter League (72.7) and the most individual wins over both Winter Leagues the last two seasons. 2022-23(32.0) and 2021-22(33.5) JCHC would also like to welcome our 87th LTM Fredd Jonas. Fredd started pitching in our 2022 Summer League with the encouragement of son-in-law Jason Longbrake. Summer League teammates Bud Vincent and Jason then welcomed Fredd to join them on the Tuesday Winter League. Fredd found early success in the 2022-23 winter season winning the most improved average (9.9) Fredd also was a member of the 2022 Summer League Champions (Sweet Scoop) along with teammates Jus, Don, Carl, Jason, Bob and Bud.
